We respectfully  
dedicate this volume of  
the Pikes Peak Nugget to  
Mr William Lennox, distinguished  
pioneer and friend of education,  
for thirty-two years a trustee of  
Colorado College, whose life and  
activities are closely interwoven  
with the early history of  
the state and of  
the College

PROPOSED NEW COLORADO COLLEGE LIBRARY

## LIBRARY

Ground will soon be broken for the new college library, the generous gift of Mrs. F. M. P. Taylor. The architect's plans are nearly complete. The beautiful new structure, which will be located west of Palmer Hall is of generous proportions and will be built of brick and trimmed in peachblow sandstone. The decision to build an entirely new building instead of adding to Coburn was welcomed by everyone. A much more compact and useful building will be the result. Colorado College cannot be too appreciative of such splendid friends as Mrs. Taylor and her family. Many of our finest buildings and departments are linked with the names of Bemis and Taylor.

## THE ASSOCIATED STUDENTS OF COLORADO COLLEGE

The Associated Students of Colorado College have accomplished much in the year 1932-33.

A reform enacted last year creating a Graduate Managership has worked out most successfully. The Graduate Manager, who handles Athletic funds, now handles the student funds also. Managers of student activities, under the new plan, are directly responsible to the Graduate Manager for any transactions made which concern the college.

During the Christmas holidays Lots de Holczer went to the New Orleans convention of the National Student Federation of America as delegate from Colorado College. He brought back valuable suggestions from the conference which have aided in the local student government activities.

At the New Orleans convention Lots de Holczer was elected President of the Rocky Mountain District of the National Student Federation. This conference includes colleges and universities in Colorado, Wyoming, Utah, Montana, Nevada, Arizona, and New Mexico. A conference was held at Boulder in the spring.

Important legislation regarding dishonesty in examinations has been accomplished by the student council which has proved to be most valuable.

## THE ASSOCIATED WOMEN STUDENTS OF COLORADO COLLEGE

The Associated Women Students is an organization composed of all the women on the campus.

The legislative board, which carries on the work of the group, consists of four officers, and the representatives of all the women's organizations on the campus.

This year a President's Dinner was inaugurated as a means of stimulating the cooperation of all the women's organizations.

This group also holds teas, dances, afternoon parties, assemblies, and sponsors several all-college functions.

Plans are being made to send a delegate to the Inter-collegiate Associated Women Students Convention at Cornell University, April 19-22, 1933.

## Student Government Association

The Student Government Association is made up of all students residing in the Women's halls. Its purpose is to make dormitory life pleasant for the women and to secure cooperation and fellowship. The governing body is chosen by the students and consists of a president and an executive board representing the different halls and classes. There are also house boards which are made up of the officers of the individual halls. The association functions to take the lead in the annual parties which are held, and to maintain a friendly feeling between the halls.

# THE Pikes Peak Nugget

## THE NUGGET

LEWIS JANUARY  
*Editor*

The Pikes Peak Nugget, yearbook of Colorado College, is now an official publication of the Associated Students of Colorado College. For many years the Junior Class has had no official hand in its publication, so the Council of the Associated Students of Colorado College deemed it wise to take the book over, since it derives funds from the student fees. This change necessitated a change in the date of the book. From now on the date corresponds to the year of publication. This fact explains why this book is also the 1933 Pikes Peak Nugget, differing from last year's in that it is volume thirty-four.

The Editor and Manager are elected by the Publications Board in the spring of each year. Any staff member who has completed two years of competent work on the book is eligible for the position of editor or manager upon recommendation to the board by the retiring editor and manager. Gold keys are awarded each year to members of the staff who have completed three years' work on the book and whose recommendation for the award is accepted by the A. S. C. C. This year Margaret Heyse, Robert Hibbard, William Baker, Ruth Edwards, Dorothy Chamberlin, Robert Sheehan, Everett Stapleton, and David Scott were recommended for the award by the Publications Board and accepted by the A. S. C. C. Unfortunately the budget of the A. S. C. C. had no provision for the purchase of the keys and the staff members had to buy their own.

RICHARD GRANT  
*Manager*

Many changes have been made in this year's book. We hope the improved art work in three colors, the greater number of pictures, a larger book, and the novel manner of dedication, will appeal to every student. This is the first time the three color art work, so widely used in college annuals now, has been used in the Nugget. We have tried to reflect the traditions and attractiveness of Colorado College. In keeping with the progress of a Greater Colorado College, we have attempted a more pretentious book. However, it has been our aim to give you a book which in later years will serve to recall old friends and poignant memories.

We wish to take this opportunity to thank the members of the Nugget staff. Their splendid cooperation and willingness to work has made this yearbook possible. Special mention for superior work is due Dorothy Chamberlin, E. Vaiden Hunt, Lew Crosby, Ben Carson, Margaret Heyse, Robert Hibbard, Edith Gaylord, and Emma Louise Jordan. We are greatly indebted to Fred Shantz, artist, Charles Gatterer of the Out West Printing and Stationery Co., Miss Grace Berger, and Ben Stewart of Stewart Brothers for their helpful suggestions and kind cooperation with the staff.

## PUBLICATIONS BOARD

The Publications Board has direct supervision over all the official publications of the Associated Students of Colorado College. Its most important duty is the electing of the editors and managers of the Pikes Peak Nugget, The Tiger, and the Handbook. Regular monthly meetings are held and journalistic problems discussed. Mr. Jack F. Lawson, instructor in journalism and city editor of the Colorado Springs Gazette, is chairman. Richard Grant is secretary.

## THE TIGER

MARVIN RUSSELL  
*Editor*

This is the fourth year that the Tiger, weekly publication of the college, has been issued in the form of a news-magazine. The standard of the Tiger has been raised considerably this year under the editorship of Marvin Russell and his able staff of assistants. It has been the concerted effort of the staff to include all the news and to foster co-operation among all campus organizations and activities in accordance with the desires of the college administration.

This year, as in past years, the news assignments were made by a news staff and this staff of three collected all of the news and distributed it to the reporters. An earnest attempt has been made to print only material of high standard and that which would be of interest to the student body.

The magazine, a four-column, eight to twelve-page publication, offers a decided improvement over the Tiger of former years as the student body is so limited as to make it practically impossible to gather enough news to fill a paper of larger size. It has been the policy of the Tiger to support all worthwhile college activities and to further the student's interests.

# THE TIGER

## THE TIGER

ROBERT SHEEHAN  
*Manager*

Each spring the editor and manager are elected by a Publications Board consisting of the president and treasurer of the A. S. C. C. council, the outgoing manager and editor, the faculty representative and another member of the A. S. C. C. council and the head of the journalism department of the college. The newly elected editor assumes his duties following spring vacation and the manager takes over his duties in the fall. Anyone interested in journalism or in working on the college paper is encouraged to do so—the only requirement being loyalty and faithfulness in completing assignments.

The Tiger sent delegates to the tenth annual Rocky Mountain Inter-collegiate Press Association convention held at the University of Wyoming at Laramie early in January. The three delegates to attend this year were Bob Hibbard and Fred Simpson, Jr., from the editorial staff and Park Eckles who represented the managerial staff. The convention consisted of round-table discussions upon current problems facing college editors and managers and members of their staffs. The convention next year will be held at Golden with the Colorado School of Mines acting as host.

## HANDBOOKS

The Student Handbook, more commonly known as the "Frosh Bible," was edited by Bob Hibbard this year. The purpose of this book is to inform the students, especially those entering for the first time, of all campus activities, organizations, and traditions. It also contains messages of welcome from the administration of the college and the president of the student body. The Associated Students of Colorado College publishes the book annually.

The A. W. S. Handbook was edited by Ruth Edwards. The Associated Women Students of the college presents this interesting little book to the women as a source of information concerning the activities of its members. It serves as a dependable guide to all organizations for women and contains the regulations of the dormitories.

# THE MOUNTAINS ARE CALLING

## HOOMEOMING

Homecoming is the traditional weekend of festivity which is probably more outstanding on Colorado College campus than any other one event for color and enthusiasm. The hundreds of alumni who "came back" were treated to one of the biggest events of recent years climaxed by a 12-0 victory over the Tiger's ancient rival, Colorado University.

The premiere of the celebration was held in Cossitt Stadium Friday night as old grads and students alike joined in the bon fire and pep meeting. Saturday morning came the parade through the downtown section as a fitting preparation for the big event of the afternoon. A feature of the parade was the float of Colorado College's second annual Homecoming queen, Olive Bradley. Her attendants were Josephine Campbell, Emma Louise Jordan, Sally Tompkins and Helen Goodsell.

Colorado College, should they lose every other game of the season, counts a winning schedule with supremacy over the Silver and Gold. With feeling at a fever pitch the spectators were treated to a contest which was productive of every thrill known to the game. The outcome was decisively in favor of the Tigers, but the fighting team from State

threatened until the final minute of play. As the smoke of the timer's gun signaled the end of the game the scoreboard stood C. C. 12-C. U. 0.

President and Mrs. C. C. Mierow were at home after the game in honor of returning alumni and their friends. This annual gesture of welcome has found a warm place in the hearts of those who yearly return to the old school to reminisce of "way back when."

The costuming of the fraternity houses presented some original ideas along the lines of exterior decoration. In the contest for the most outstanding presentation, the picturization of a south sea isle with cannibals to match won first award for Phi Gamma Delta, second place going to Sigma Chi. The Sigs won a little slam in homecoming competition by winning first place with their float in the parade, the Delta Gamma's placing first in the sorority division. The sororities and fraternities held open house and in most cases featured homecoming dinners for their alumni and friends thus cooperating to make the whole affair a big success. Ralph Smith is to be congratulated for his outstanding work in charge of homecoming arrangements.

## JUNIOR PROM

This annual all-college formal given under the auspices of the Junior class, was held this year at the Broadmoor Hotel. The beautiful ball room was a fitting background for Tiger students in evening gown and dinner coat. The event was under the management of Wallace Peck and Frank Jamison.

As an added attraction, the annual beauty parade was held. This event is the occasion of a promenade of the twelve most beautiful co-eds in Colorado College, and adds color and beauty to the evening's entertainment.

# THE FIFTH VARSITY JUBILEE

## VARSITY JUBILEE

The fifth annual Varsity Jubilee proved to be one of the most enjoyable events of the social calendar for Colorado College. This tradition, inaugurated to supplant the all-college picnic, is fast gaining popularity with the college students.

As in the preceding years, the event followed the progressive plan, in which dancing was featured at the Broadmoor Ballroom from 8:30 until 10:30 o'clock. Then the party dined at the Waldorf Restaurant until 11:30 at which time the evening's entertainment was finished off with a theatre party at the Paramount. The good time had by all may be attributed to the efforts of managers Everett Stapleton and Stanley Ryerson.

## COLONIAL BALL

An old fashioned garden was the scene of the Colonial Ball in Bemis Commons this year. The Ball, which has been an annual affair since 1897, is sponsored by the women of the Sophomore Class under the auspices of the Associated Women Students. Professors and their wives are the only guests invited, aside from the girls of the college. Dean Fauteaux, as usual, entertained the Sophomore women at dinner preceding the Ball.

During the evening the Minuet was featured by sixteen selected girls. Those taking part were Francesca Hall, Betty Rayner, Helen Miller, Ruth Crawford, Helen Dentan, Frances Lewis, Betty Heaton, Harriet Engle, Janet Burnham, Nancy Rothrock, Norma Garrett, Helen Gilmore, Audrey Gill, Emma Louise Jordan, Isabel Mitchell, and Florence Robinson. Ruth Adams was in charge of the event for the Sophomore class.

## A. W. S. COSTUME BALL

Of paramount interest to Colorado College co-eds was the A. W. S. Costume ball, held in Bemis Commons Friday, October 28, 1932. This is an annual party for girls only and is one of the most important of the all-college affairs for co-eds.

The costumes were many and of a great variety. The prize for the most original costume was given to Sally Brophy. Prizes for the most beautiful costumes were won by Harriette Kearny and Marcella O'Connell, and Anna Margaret Daniels and Virginia Berger in the order named.

# THIS IS THE YEAR OF KNUCKLES

## MAGNA PAN PAN

Each year Magna Pan Pan, the college vaudeville, gains in popularity as the occasion of a hilarious good time before school adjourns for the Christmas holidays. Co-managers Cecil Ver Duft and George Robinson deserve much credit for their efforts in producing three hours of laughs from an enthusiastic audience.

For the small admission charged, this function gives probably the greatest amusement value offered during the school year. Comedy skits featured the production and music was furnished by Metzler's Broadmoor Orchestra.

The Phi Gams with their novelty minstrel show, featuring a male chorus in scanties, walked off with first prize in the fraternity competition. Kappa Sigma placed with a take-off of Walter Winchell's keyhole communications. In the sorority class, Crescent Club closed their final year of organizational activity with a burlesque on secret marriages, Delta Gamma following close with a satire upon other organizations on the campus. For outstanding costumes, the Phi Deltas, in pajama convict suits gave the baldheaded row the latest in "what the well dressed criminal will wear."

Magna Pan Pan for 1932 offered a high mark in all-college competition, keeping pace with the deserving reputation of this annual custom.

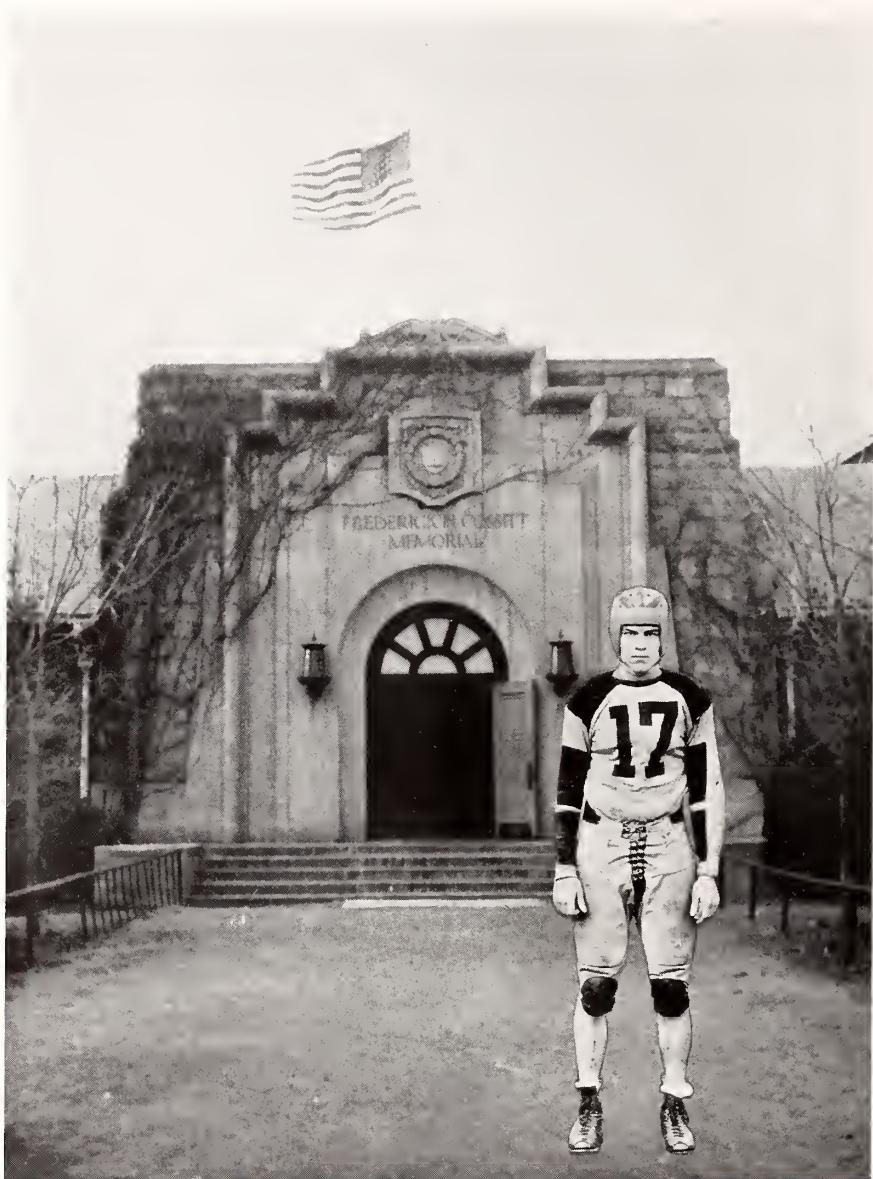

**B**ECAUSE of his leadership and tireless endeavor, Ralph J. Gilmore is largely responsible for the high standards of athletics in Colorado College, and because of our high esteem and respect for him, we devote the athletic section as a token of appreciation.

## COACHING STAFF

VAN DE GRAAFF

WAITE

WOODWARD

### W. T. VAN DE GRAAFF

Coach "Bully" Van de Graaff completed his seventh season this year as head coach and director of athletics at Colorado College.

As an undergraduate, Van de Graaff played tackle for the "Crimson Tide" of Alabama, receiving All-American selection two years. He was graduated with Phi Beta Kappa distinction. He then served four years at West Point, playing three years at tackle for the Army. After serving his enlistment, he returned to his Alma Mater as freshman coach, which position he held until coming to Colorado College.

Besides being a football coach of the first water, "Bully" is a man of the character which instills the highest type of sportsmanship and loyalty into his men. To this, even more than to his ability as a coach, the Tigers attribute their success.

### "DOC" HARRY W. WOODWARD

Dr. Woodward has been a constant and faithful follower of the Tiger squad for many years. He manages to include most of the trips in his itinerary as well as all of the home games. Dr. Woodward is a graduate of the Harvard Medical School and since his graduation has practiced here, looking after the physical condition of the Tiger athletes as a hobby and an invaluable service to the college.

### COACH HOWARD WAITE

Coach Waite is a graduate of the University of Illinois and came to Colorado College in 1930 as trainer, wrestling coach, and physical education instructor for men. After much effort and patience, Waite has developed a strong mat squad and has been able to place men in almost every class in the divisional and conference meets. Howard is head equipment manager as well, and his duties keep him busy most of the year at Cossitt hall.

## HARRY SPICER

"Spic" acted as chief scout and devoted the rest of his time to the development of the wings and backfield men. He was a member of the class of '27, but returned last year and received his degree in 1930.

## ARTHUR GRAY

Art was backfield and end coach and it was under his tutorship that these men were able to develop an attack feared by every foe the Bengals faced. Art's class was back in the middle twenties, but he returned this year to complete his work for a degree after several years of connection with the C. F. & I. steel works in Pueblo.

## RICHARD GRANT

"Twick" Grant was manager of football last season for his second year. "Twick" and his green bonnet were familiar figures on the gridiron throughout the season.

It would be false to say that the season started with a bang—it did not. After but two weeks of practice, the Bengals journeyed to Salt Lake City where they met a tartar in Ike Armstrong's four time Rocky Mountain Conference champions, being beaten by a score of 54-6.

After holding the powerful Utes to a scoreless tie for the first period, the Tigers crumbled and Utah, led by "Crashing Chris" Christenson, ran up and down the field for 54 markers.

In this game many new men were used for the first time. Andrews, Swan, Roach, LeMaster, McClure, Abernathy, Conley, Lilljeberg, Ebeling, D. Berry, Griffith, and Zeiger experiencing their first taste of conference football.

The outstanding feature of the game was Ralph McClure's '96 yard return of a kickoff in the last period. This was the only score against Utah made by a conference team and was recorded as the fourth longest return of a kickoff in the country during the 1932 season.

It looked like a mighty dismal season for C. C. as the Pioneers took the Tigers into camp by the score of 15-6.

The game was played at night in the D. U. bowl before a record crowd of 15,000 fans. The Pioneers started their fireworks when Clark booted a beautiful field goal in the first half of the game, to place D. U. ahead at the half 3-0. In the last two periods Denver took advantage of the breaks and coupled with brilliant playing were able to push across two touchdowns.

Early in the last period LeMaster broke thru and blocked a punt which was gathered up by Captain Ray Fries who ran 30 yards for the Tigers' lone marker. This was the longest run from a blocked punt in the United States during the 1932 season.

The absence of Mihalick in the line was one of the factors in Denver's victory. Andrews, Martin, and Fries were the mainstays of the Bengal's forward wall while Owens and deHolzer shone in the backfield.

C. C. clearly outplayed and outfought the Cowboys the entire game, and never did the boys from the wilds of Wyoming show much. Their score came by a concentrated effort in the last of the second quarter, after which the Tigers settled down to business and held the Cowboys practically helpless.

The entire team played heads up football and it would be unfair to say anyone starred as it was a fighting Tiger team that beat Wyoming.

Guy Martin, big guard, in this game started his record place-kicking expedition of three goals by booting his first placement. Three goals were the most booted by any one player in the United States during the 1932 season.

Traveling to Ft. Collins with rail-birds predicting that the Tigers would take a real lacing, the dope bucket developed a leak and the Bengals spoiled an otherwise perfect Aggie Homecoming to defeat the Farmers 3-0. There was more fight, spirit and teamwork displayed by the Tigers that day than is usually found in a dozen teams.

Shortly after the first period opened a pass put the ball deep in Aggie territory. After several attempts at the line Guy Martin dropped back and booted the pigskin squarely between the uprights for the only score of the day. With this three point advantage they stubbornly resisted every thrust the Farmers made. The Tigers completely outplayed their heavier opponents in all departments and rightly deserved to win one of the best played football games seen in recent years.

Guy Martin who accounted for the Tiger's score was the individual hero. Owens, at quarterback, deserves credit for the efficient way he handled and directed the team's play.

After the Aggie game, C. C. met Western State on Washburn Field and trounced them 31-0. The game was ragged and about as the score indicates. The Mountaineers were successful in registering only one first down, while the Tigers marched up and down the field with comparative ease.

The feature play of the game came when Funk returned a punt for 50 yards and a touchdown in the third quarter. Funk was the scoring star of the game, crossing the last marker three times for 18 points. The Bengals were never in danger and not at any time called upon to extend themselves. Nearly every man on the squad saw action in this game.

The game was a breather for the Colorado University game. Western State looked weak compared to the Bengals' fast attack and far superior team work. The game was marked by straight football to a great extent, with the strong Tiger line opening big holes in the opposing line.

## Colorado College 12 Homecoming Colorado University 0

The best and yet the saddest Homecoming ever experienced on the Colorado College campus. A win over Boulder by a 12-0 score—what could have been better?

There is no school in the conference that C. C. fans would rather see beaten than Colorado University, and this time after five years, the upstate squad went home on the short end of the score. Holding a lead of 5-0 at the end of the first half, accounted for by a field goal by Martin and a safety by Bernard, the Bengals played still harder football in the last half.

Colorado University seemed dead on its feet and only in the last quarter when they made a determined drive down the field did they seem to even resemble a football team. This drive was halted in Tiger territory and they punted to Grovesnor who fumbled, Bernard recovering on the 17 yard line. An intended pass was changed into a run by Owens who crossed the goal line for the Tigers. Martin added the extra point.

The outstanding players were Bernard, Martin, Mihalick and Owens.

## Colorado Mines 7

In a game that was originally scheduled for Thanksgiving Day, then cancelled and rescheduled as a benefit game for Ralph W. McClure's wife and baby daughter, the Tigers defeated Colorado Mines 20-7.

The Tigers won in easy fashion, with Coach Van de Graaff using every man on the squad. Triple passes, laterals, and daring forward passes were in order that day by both teams, and those who turned out to aid the worthy cause were treated to a spectacular display of open football. Approximately \$1,700 was realized from the receipts for the McClure endowment fund.

Owens, star Tiger quarterback, provided the big thrill of the afternoon when he returned a Mines punt 66 yards for a touchdown. This was the final game of the season, the University of New Mexico game being cancelled. The 1932 Black and Gold machine had the best record the Tigers have been able to boast of in many years.

Six Tigers played their last game against Mines, all of them turning in outstanding performances. The six included Captain Ray Fries, Owen Owens, Bill Thomas, Marion Deutsch, Guy Martin, and Lots deHolezer.

## FOOTBALL

After one of the worst drubbings ever administered to a Tiger team by the powerful Utah team, and an unexpected defeat by D. U., the Bengals found themselves and sailed thru to win the remaining five games on their schedule.

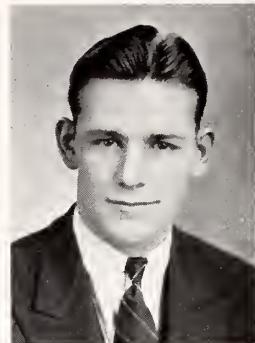

The season opened in Salt Lake where the four time Rocky Mountain champions, Utah University, drubbed us 54-6. On the following week-end the Tigers experienced their first game under the flood lights at Denver and the team went down fighting 15-8. In a benefit game played at Cheyenne the Tigers entered the game as the underdogs, but emerged victors. In a game that provided the major upset of the 1932 season the Tigers, by the accuracy of Martie's educated toe, put the Colorado Farmers on the toboggan slide turning them back 3-0 to spoil an otherwise perfect Homecoming for the up-staters. After five years of defeat by C. U., the Tigers came back to trim them 12-0. This game was marred by the unfortunate fatal injury to Ralph McClure. After his tragic death the athletic board cancelled the remaining games scheduled. Due to public sentiment and a desire upon the part of the football squad to do something for "Mac", the game with Colorado Mines was re-scheduled and all proceeds above bare expenses were turned over to McClure's widow and 8 months old daughter.

With a strong Frosh team coming up and with a host of yearlings passing their hours, prospects look bright for next year, with only Martin, Owens, Deutsch, deHolczer, Fries, and Thomas due to leave the squad via graduation or quituation.

## FRESHMAN FOOTBALL

REID

### BILL HALL

Bill Hall returned to the halls of learning to complete his work for a degree and to act as Frosh football coach this year. Hall played in the Tiger back-field five years ago and earned two stripes.

### JUAN REID

Juan Reid was appointed assistant Freshman coach early last fall. Juan lettered in football at C. C. three years, four times in basketball and once in baseball. He returned this year to complete his work for a sheepskin.

### SEASON

There was an unusually small group of yearlings answering the first call for Freshman football, but with a determined effort coaches Bill Hall and Juan Reid whipped them into a smooth-functioning machine.

The job of the Freshmen is not to perfect a playing unit in so much as it must learn a new set of opponent's signals each week and thus furnish the varsity with competition. Early in the season the Frosh were able to romp on the Varsity, but after the middle of the season they were no match for the more-experienced aggregation.

Three games were scheduled for the "Baby Bengals." The D. U. Freshmen came to Washburn Field with a highly touted eleven and walked all over the C. C. hopefuls to the tune of 32-0. Two weeks later, under the impetus of their own set of signals and intensive practice, the squad journeyed to Gunnison where they took the Mountaineer Freshmen in to the tune of 9-0. The remaining game, scheduled with Mines Freshmen Thanksgiving Day was cancelled after the death of Ralph McClure. The squad, although handicapped by lack of numbers, made up the difference with fight and determination. Several of them look like prospective material for "Bully's" 1933 eleven.

Those to receive numerals were: William Agee, Wendell Carlson, Robert Dryden, George Gearhart, Fred Miles, Harold Packard, Robert Phelps, Harry Preskar, Fred Simpson, John Sutak, Melvin Sheldon, Martin Stelson, James Varrone, Lawrence Ward, Charles Winter, and Phil Reilly.

Bill Lennox was appointed manager of the first-year squad early in the season and his work merits much approval.

## BASKETBALL

CLARK

"Dutch," after four years of college athletics that brought him fame and honor returned to Colorado College to serve as head basketball and baseball coach. The 1932-33 season was his third in such a capacity. Under arrangements made with the trustees he was granted a three months' leave of absence from his coaching duties to play professional football with the Portsmouth, O., Spartans.

MILES

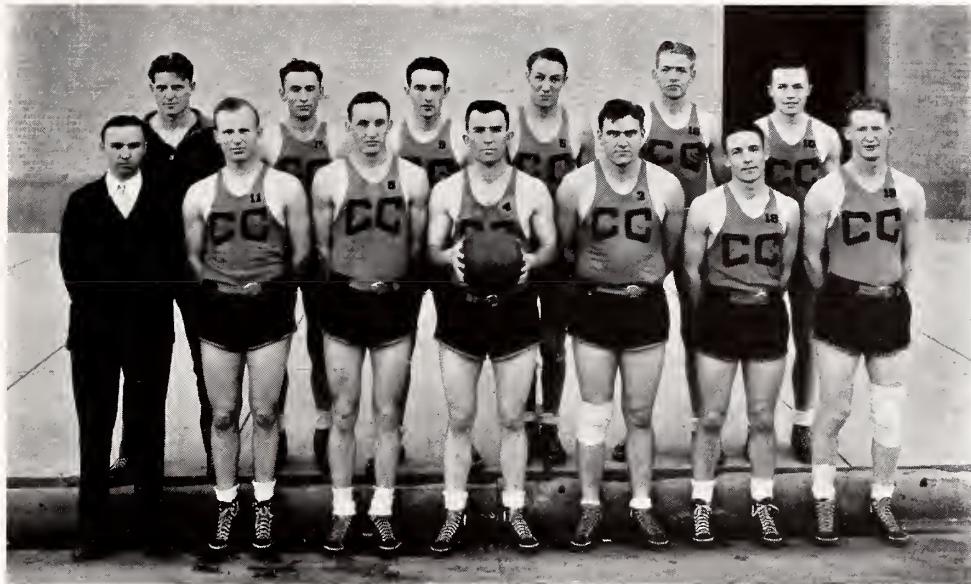

While playing in a Tiger uniform "Dutch" lettered in every major sport, twice captained the basketball squad, captained the football team in his senior year, and in his junior year was selected All-American quarterback by the Associated Press scribes. In his senior year he accepted an invitation tendered to him to participate in the Shriner's East-West game in San Francisco and was a consistent thorn in the side of the Eastern Team. Due to basketball practice he was unable to accept an invitation extended to him to play in his junior year.

In track "Dutch" holds the National A. A. U. junior hammer throw record, and participated as a member of the All-American track squad in the meet held with the All-British squad in Chicago in 1930.

This year saw Clark picked for the second time as the greatest football player in the nation. He played his second year at quarterback for the Portsmouth, O. squad and was the leading ground gainer in the national "pro" league as well as a passer and kicker of extraordinary note. He was a unanimous choice for All-American quarterback in the "pro" ranks and was also selected as captain of the honor team, the greatest honor a football man can attain.

Gene Miles, the perennial basketball manager, was on the job again this season for his fifth year. A lot of credit is deserved for his untiring effort to help the team and look after their needs for nothing but the glory of doing it.

"Joe" Boothe was easily the fastest man on the squad and his knack to shift and dribble makes him a valuable man. His play in the Boulder series will be remembered for many moons. He has one more year.

"Red" LeMaster encountered bad luck at the first of the season with a bad ankle and did not play enough to make a letter. He has two more years for both football and the court game.

## BASKETBALL

A large squad of veterans and freshman hopefuls answered Coach Clark's first call. After several weeks of preliminary practice the squad was divided into two groups, with the letter men in one and the freshmen hoopsters in the other. The "B" squad was carried throughout the season furnishing opposition to the "Varsity" and playing games with leading independent outfits. Juan Reid was head coach of this squad.

The squad opened its 1932-33 campaign with a win over the Davis-Elkins quintet from West Virginia, 43-30. Brigham Young University, 1932 Western division champions, came to the Bengal lair during the Christmas holidays to cop two games 43-30 and 55-34. On New Year's Eve the Tigers played the Henry Clothiers from Wichita, Kans., and took their worst drubbing of the season 65-30, after making a strong first-half stand. The following week the Denver Piggly-Wiggly squad defeated the Black and Gold 39-25 in the last pre-conference game.

The Tigers opened their conference season with a double win over D. U., winning here 40-28 and in Denver 35-23. In the first game Glidden scored 16 points. The following week-end the Bengals continued their winning streak, bombarding the basket from long range in the first game of a two game series with Western State to win 30-25. Western State took the second game in an afternoon affair 34-27.

On the next Friday the squad journeyed to Ft. Collins where they met defeat at the hands of a rejuvenated Farmer team 35-24. The following night they suffered a 29-28 defeat after apparently having the game sewed up, but with less than ten seconds to play Campbell, Aggie center, dribbled the entire length of the floor to loop the winning basket. An expedition to Greeley the next Tuesday ended disastrously with the team coming home on the short end of a 29-20 score.

The Wyoming Cowboys raided the city auditorium the next week to defeat the Tigers two straight. Les Witte, all-conference forward, scored 21 points in the first game, with Livingston high score man in the second fray with 13 points. These games easily demonstrated the strength of the Plainsmen's championship team. The next week the Tigers managed to get back into the win column at the expense of the last-place Mines squad 27-18, in a slow game here, and in a similar type of game at Golden the following night 28-19, Sabo leading the scoring parade with 10 points.

The Black and Gold split the series with Colorado University defeating the upstaters on their own floor at Boulder the first night 23-22 and losing the following night at Colorado Springs 25-24 in one of the most exciting games of the season.

The final game of the season was played here with Colorado Teachers. The first three quarters of the game was all Pedagog and they ran up a score of 30-11 before the Tigers began a slam bang game that closed the gap of Teachers' victory to nine points, 41-32.

Following the close of the conference season the Tigers played in the Rocky Mountain A. A. U. tournament in Denver under the colors of the Udick Tire Shop.

Letters were awarded to Captain Sabo, Glidden, Livingston, Ryerson, Martin, Boothe, Day, Harter and Berg. Members of the "B" squad were Robbins, D. Hibbard, M. Reid, Berglund, Christenson, Harrison, Davis, Mayo, McDonough, Fries and Gleason.

The Tigers experienced one of their most successful track seasons last spring. Under Captain Bill Haney the Bengals kept their dual meet record clear for the third successive year. The week following the intramural meet the Tigers defeated D. U. in a dual meet at Colorado Springs 77 1/3 to 62 2/3. The squad showed unexpected strength at the Colorado Relays and copped third place with 15 points. Colorado Aggies placed first with 21 points and C. U. was second with 17 points. The next week Colorado Teachers were subdued at Greeley in a dual meet to the tune of 83 to 27. In this meet 29 of Coach Irish's men scored points. The Tigers again were rated the third best squad in the Eastern division when they placed third in the Eastern division meet at Denver. At this meet ex-captain Chuck Cogan raced the 880 in 1:59.1 to break the 21 year standing record for this event at the Tiger institution. In a quadrangle meet held in Denver, C. C. placed first with 69 5/6 points followed by D. U. with 56 1/2; Colorado Teachers with 43 1/2; and Colorado Mines with 5. In the conference meet the relay men showed up well to climax a most successful season.

Twenty-seven men lettered in the cinder sport. Among these were Captain Bill Haney, Ex-Captain Charles Cogan, Captain-elect Lots deHolczer, Wayne Campbell, Burt Paddock, Fred Short, Win Crouch, Walter Slocum, Leon Starbuck, Ken Pomeroy, Bill Beatty, Clarence Kehoe, Francis Burshears, Jack Kintz, Bob Sheehan, Joe Boothe, John Mihalick, Ray Fries, Fred Handke, Dick Harrison, Wilbur Larson, Richard Harter, Harold Cotner, George Robinson, Dan Stills, Jim Lyons, and Gilbert Bernard.

OWEN OWENS, *Captain 1932-33*

CLARK

Coach Clark has tried his hand at professional baseball as well as most other sports. After graduating from C. C., Clark signed up as a member of the outfield of the Pueblo Braves, members of the Western Baseball league. Last year was his first at a try to coach collegiate baseball and the successful season experienced by the Bengal squad was one of the best in years.

Lew Giesecke acted as manager for the baseball squad for his first year and turned in a good season as bat and water boy.

GIESECKE

## SEASON

The baseball squad made its best stand in years last season entering the final series with Denver University with a chance to cop the conference title by defeating the Pioneers in both games of the doubleheader scheduled. The Tiger batsmen played eight games, winning four and losing four. For the first time in many moons the team played a game on their home field, opening the season with two wins over Colorado Aggies at Broadway Park. "Dutch" Clark was at the helm of the diamond aspirants, and with a wealth of material he strengthened baseball's hold at C. C. The squad was lead by Owen Owens, who was re-elected captain at the close of the 1932 campaign to serve in the same capacity during the current season.

The squad was larger this year than for many seasons and every man gave his concentrated effort to win. With practically every man except Ken Pomeroy and Juan Reid back for another season, hopes for the present season are high. Both of these men played their fourth year of baseball last year. Pomeroy captained the batsmen during his junior year and lettered in the sport four times.

- April 22, at Colorado Springs, C. C. 15, Colorado Aggies 10.
- April 23, at Colorado Springs, C. C. 16, Colorado Aggies 8.

## WRESTLING

The showing made by the Tiger wrestling squad this year was better than has been the case for several years. This is the third time in ten years that C. C. has been able to put out a squad and considering lack of material and eligibility, the 1933 season may be considered a success.

The squad was led by Captain Ed Little and coached by Howard Waite. The men on the squad were Miller, 118 pounds; Little and Robinson, 126 pounds; Fred Miles and McNamara, 135 pounds; Funk, 145 pounds; Arnold, 155 pounds; Johnson, 165 pounds; Dillingham, 175 pounds; and Winters, heavyweight. Of these men, letters were awarded Miller, Winters and Dillingham, (upon completion of his scholastic requirements).

The second intercollegiate wrestling meet to be held in Colorado Springs for a decade was held at Cossitt hall with Colorado Teachers, the latter winning five out of eight falls for a 21-11 decision. Miller, Dillingham and Winters won their matches, with the heavyweight go, the most interesting of the evening.

In the meet with Denver University at Denver, Miller again pinned his man with Winters and Arnold scoring draws. The Tigers were forced to forfeit the 175 pound class after Dillingham was declared ineligible on account of scholastic difficulties, and lost the meet 26-8.

Coach Waite took six men to the conference meet held at Boulder. Miller, favorite to cop the 118 pound class, was pinned in a preliminary match. Winters scored the Bengals' lone tally by placing third in the heavyweight class.

Graduation will take few of the squad this year and a more successful season is expected next year, with a wealth of material and experience for every man.

*Captain-Elect, MURRAY*

*Squad, GRANT, MURRAY, D. HIBBARD, DAY, LIVINGSTON, GRIEBEL, D. SMITH*

Captain "Twick" Grant led the tennis squad thru a fairly successful season, winning from Denver University twice, and losing to Colorado University twice. The first D. U. meet played on the Quackenbush courts resulted in a victory for the Tiger net men 4-3. The following Tuesday Boulder took our measure 4-3 here.

In the return matches the Tigers were defeated by C. U. at Boulder 7-2 and swamped Denver at Denver in the final match of the season 6-3.

At the close of the season Hartley Murray was elected captain. He is now playing his fourth season under the Black and Gold and is serving his second term as captain. The entire 1932 squad is intact for the 1933 campaign and there are hopes it will be a championship year. Matches have been scheduled with Denver and Colorado U. again, and Colorado Teachers have been added.

The Tiger mashie wielders led by Lincoln Coit opened their conference season on the Cherry Hills course in Denver, defeating Colorado Mines 14 to 10. In the afternoon of the same day the squad fell before the strokes of the C. U. golfers 14 to 10.

In robin-round matches played on the Broadmoor golf course and the Patty-Jewett course the men kept in shape for the intercollegiate matches.

In a dual meet with Denver University the capital city lads led the Tiger golfers to the clubhouse, trouncing them  $15\frac{1}{2}$  to  $8\frac{1}{2}$ .

George Markley was the lowest handicap man on the squad. Last fall he won the Colorado Springs junior crown over the Patty-Jewett course. He is also a member of that famous hole-in-one club. This year there appear to be several new golf aces in school, and graduation being very lenient with the squad last spring, those returning will have to do plenty of practicing to assure themselves places on the squad.

## INTRAMURAL BASEBALL

The Phi Deltas dethroned the champion Phi Gam team to win the pajama clad league title with six wins and no defeats. The Fijis wound up in second place by disposing of all their competitors except the Phi Deltas, who bumped them on the nose 15-12. The games were played on the San Luis field early last spring before 8 o'clock classes.

### FINAL STANDINGS

Phi Gamma Delta	5	1	.833
Sigma Chi	4	2	.667
Kappa Sigma	3	3	.500
Beta Theta Pi	1	5	.167
Delta Alpha Phi	1	5	.167
Independents	1	5	.167

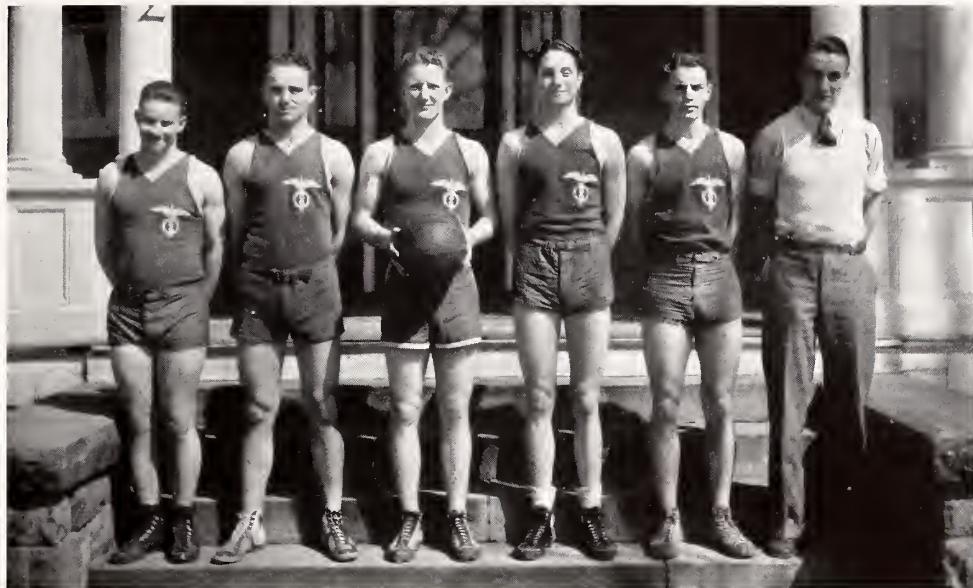

## TOUCH FOOTBALL

The Kappa Sigs won the touch football trophy defeating the Phi Gams in an extra period tilt by a 6-0 score.

Last year saw the inauguration of touch football in the intramural sports program and it was so successful that it will probably be included after this.

The Kappa Sigs reached the finals by defeating the Phi Deltas who in turn had turned back the Delta Alphs. The Fijis reached the finals by defeating the Independents 6-0 in another overtime tilt.

## INTRAMURAL BASKETBALL

Kappa Sigma displaced Sigma Chi as Greek basketball titlists this year. The regular season ended in a deadlock between Kappa Sigma and Phi Gamma Delta. In the playoff series the Kappa Sigs downed the Fijis 26-22 in the first game and 31-27 in the second.

Don Hibbard, Phi Gam, was high score man of the league, totaling 84 points in seven games, and Robbins, Kappa Sig, was second with 78 points.

The competition this season was more keen than ever before and some exceptionally well played games resulted. Outstanding among the forwards were D. Hibbard, Zeiger, Robbins, and Berglund. Fries Sigma Chi center, was outstanding at that position, while Bernard, Reid, Gleason, R. Hibbard, and Harrison played stellar games at the guard posts.

The standings at the end of the regular schedule were as follows:

Team	Won	Lost	Pct.
Kappa Sigma.....	5	1	.833
Phi Gamma Delta.....	5	1	.833
Sigma Chi.....	4	2	.667
Phi Delta Theta.....	3	3	.500
Beta Theta Pi.....	3	3	.500
Independents.....	1	5	.167
Delta Alpha Phi.....	0	6	.000

## INTRAMURAL TRACK

The thinly clad aspirants of the Greeks gathered together on April 9 last and battled it out with one another in a blizzard that smothered Washburn Field. The Sigma Chis being cold blooded had to run faster to keep warm and thereby turned in the fastest performances to score 41 1/3 points. The Phi Deltas by gathering in a few firsts and placing men in almost every event managed to capture second place with 26 points and nose out the Betas by the scant margin of 2 2/3 points. Following were the Fiji boys with 21 1/2 points; Kappa Sigs with 20 5/6 points; Independents with 16 points; Delta Alphas with 14 points; and the Pi Kaps with 3 when Owens placed second in the discus.

## SWIMMING

The Phi Delts captured the intramural swimming championship held at the Broadmoor pool December 3 with 21 points. The Kappa Sigma placed second with 15 points and the Sigma Chis finished third with 10 points. Other fraternities to score were Phi Gamma Delta, 8; Independents, 8; Delta Alpha Phi, 1; while the Betas failed to place a man in the money.

Results of the meet were as follows:

*25-yard free style*—Hall, Phi Delt; Eckles, Sigma Chi; Smith, Kappa Sigma.

*50-yard breast-stroke*—Bloss, Independent; Baker, Phi Gam; Pomeroy, Kappa Sigma.

*100-yard free style*—Daniels, Phi Delt; Huff, Kappa Sigma; Kirk, Sigma Chi.

*50-yard back-stroke*—Sims, Sigma Chi; Bloss, Independent; Langum, Delta Alph.

*100-yard relay*—Kappa Sigma (Jamison, Smith, Loesch, Huff); Phi Delts; Phi Gams.

## HORSESHOES

Jasper, Phi Delt, won the horseshoe singles crown by defeating Shelly Williams, Independent. Fred Miles and Allison Ray pitching for Delta Alphs won the doubles championship over LeRoy Jamison and Joe Boothe, Sigma Chis. On scoring basis the Phi Delts won with four points with the Sigma Chis and Delta Alphs tying for runners-up position with three points apiece. The Independents landed fourth place scoring two points.

## FALL COMPETITION

Under a new plan this year the Intra-Fraternity council decided to award individual cups for swimming, horseshoes, tennis, touch football, track, and basketball.

Jack Kintz, Kappa Sig, won the cross country run for the fourth consecutive time, outsprinting Larson, Independent, in the last 50 yards to win and establish a new record of 15 minutes, 18-5 seconds for the course. Delta Alphs captured the team cup for the second successive year by placing men in third, fourth, fifth, and seventh places. The Phi Gams placed second in the team competition.

### WRESTLING

The Kappa Sigs captured the intramural wrestling laurels for the second successive year by scoring 21 points, followed by the Delta Alphs with 13; the Phi Deltas with 12; Beta Theta Pi with 10; the Independents with 5; and the Sigma Chis with 3. The meet was held just before the Christmas holidays at Cossitt after several preliminary matches.

### SUMMARY

# WOMEN'S ATHLETIC ASSOCIATION

The Women's Athletic Association of Colorado College is a member of the National Athletic Conference of American College Women and its purpose is to promote interest in athletics among women. Membership is open to any girl in college who proves herself worthy and interested by participating in some sport.

W. A. A. is closely inter-woven with the Physical Education Department of the College and promotes contests and instruction of athletic nature among women students.

This organization sponsors an annual picnic for Freshmen girls each fall and this get-together was held at Austin Bluffs this year. A clubhouse is maintained in the College Jungle and regular meetings are held bi-monthly. A hike is held every week, weather permitting, and this year the annual swimming meet was held at the Broadmoor hotel pool with much lively competition. An animal show sponsored by W. A. A. was held in March with much success.

Representatives from the local organization were chosen to represent Colorado College at the annual Play Day this year held at Denver with the University of Denver acting as host.

Sweaters are awarded to girls who have shown the most outstanding service and achievement for two years. Last year three were awarded while awards for this year have not been announced.

# THE COLLEGE JUNGLE

## WOMEN'S ATHLETIC ASSOCIATION

The biggest event on the calendar of the Women's Athletic Association is the traditional May Fete presented in the College Jungle. Last year the "Harp of Aeolus" was presented on May 21. It was an unusual and beautiful performance. East and West, North and South met in that fabled union before the eyes of the spectators. The Indian Dances given by Boy Scout Troop No. 10, under the direction of Mr. Lester Griswold, added much to the occasion.

This production was given under the auspices of W. A. A. and the Physical Education Department for Women at Colorado College. The coeds practiced for many weeks to perfect the pageant.

W. A. A. sponsors all sorts of competitive games and tournaments throughout the year, such as basketball, tennis, swimming, volleyball, and quoitennis. Many members of the organization avail themselves of the advantages offered by the Silver Spruce Ski Club near Edlowe, Colorado.

Mr. Richard Grant,  
COLORADO COLLEGE NUGGET,  
Colorado Springs, Colo.

Dear Mr. Grant,

I devoted one solid hour last night to selecting the four girls whom I believe to be the most beautiful, judging from the twelve photographs submitted to me.

It was extremely difficult to pick the first, second, third and fourth winners, as requested in your letter, as I felt that all four of them should be winners in their own class.

After much careful study of the photographs I submit the following four as my selection in the order of my preference,

1. Lillian Walberg
2. Mary Jean MacDonald
3. Harriett Engel
4. Jim Browder

All twelve of the photographs were very beautiful and I hope there will be no hard feelings on the part of those who were not selected.

I wish to thank you very much for making me judge of this contest.

Sincerely,  
*Fredric March*

## THE POLYTECHNIC CLUB

The Polytechnic Club was founded to foster and develop interest and study of current engineering problems at Colorado College. The club membership is limited to Engineering and Science students and was organized in 1931. Shortly after its organization the club was admitted to the Colorado Society of Engineers as a Student Chapter. This affiliation has given the members the benefit of a membership in a Professional Society and has enabled them to make contacts with the men who do the work in the engineering fields. After graduation the members of the club automatically become junior members of the society without the required examination of that society. The Polytechnic Club is the only Student Chapter the Colorado Society has granted, which speaks well of the engineering training Colorado College offers.

## COSSITT "GAMMA"

The Cossitt Commons Dining room houses probably the most unique organization on the campus.

In the gay "29's" a rivalry sprung up between this organization and the now somewhat subdued Plaza "Epsilon." Athletic events were in order, and yearly commemoration of brotherly feeling was the occasion of an annual social function, the last of which will long be remembered in the annals of Tiger history.

Several of the boys were guests in the dean's office following this party, busily explaining the uses to which the plate rail in the dining room was put. The annual expression of fraternalism fell into disrepute following this incident and due to the insistence of authorities higher up, has never been revived. With the return of "pre-Volstead" days every one hopes for a revival of the annual affair.

## DAIS

All senior women residing in the dormitories are members of the Dais. Their chief distinction is sitting with the dean of women at the head table in Bemis Commons Dining Hall. Before Christmas vacation the organization entertains all senior women of the college at a dinner at which time plans are made for a serenade. In the spring the group is hostess to their major professors at a series of dinners. Just before school closes a farewell breakfast is given in honor of those girls who will be members of the Dais during the coming year.

## EUTERPE MUSICAL SOCIETY

The Euterpe Musical Society, a member of the National Federation of Music, was founded in 1910 by Dean E. D. Hale of the School of Music. It is an organization fostering the advancement of music in Colorado College. Members of the Society are selected from students enrolled in the School of Music. The Society enjoyed informal hotel suppers after every civic concert given during the past year.

Perhaps one of the best musical organizations on the campus is the Colorado College Quartet. Although this is the first year of its organization, it has met with instant success. The boys have been frequent guests at service club luncheons and many church services. Several afternoon engagements are booked for late spring at social functions in the city.

## DEBATING

Another successful season of debate was completed last spring when a squad of four men toured several states, debating with most of the leading schools in that section. This trip was one of the longest ever taken by a Colorado College forensic squad and maintained the high debating standards which has distinguished this school during the past few years.

Few home debates were scheduled this year. A squad of ten men represented the college at the Colorado Debate Conference held in Denver the last of February. The debates were all non-decision.

## CHAPEL CHOIR

The Chapel Choir has become an organization of which the College should be proud.

Rehearsal is held twice a week, and includes voice training, short lectures on the fundamentals of music, and lessons in harmony and ear training.

One half a credit is given for two years' regular attendance in the Choir. The members have shown a great deal of interest and enthusiasm and they as well as Mr. Boothroyd should be commended for the progress they have made.

# COLLEGE KNIGHTS

## BAND AND ORCHESTRA

As in former years, Fred Fink has been director of the Colorado College band. Playing at football or basketball games, pep meetings, or parades the Tiger band adds spirit and color to the occasion. The band played at several of the out-of-town games. There is still room for additional instruments, and new members will be welcomed.

Charles Bybee, a graduate of the Eastman School of Music, is conductor of the Colorado College orchestra. Efforts are being made to organize several smaller groups into trios, quartets, quintets, etc., to supplement the orchestra. With the amount of talent available, it is hoped students will cooperate with those in charge to increase the musical life of the campus.

# KOSHARE BREAKING AWAY

## PLAYS

The year 1932-33 will be remembered as a banner year for Koshare of Colorado College. In contrast to the larger number of shows given the preceding season was this year's plan to produce fewer attractions of finer quality. That these efforts were appreciated is shown by the fact that the organization this year played to the largest total audience ever gathered in Cogswell Theatre.

The work of the personnel back-stage can be given no little credit for the outstanding success of the productions, as the sets ranged from pastoral to futuristic.

The first play of the year was Barrie's "Admirable Crichton." This portrayal of the fundamentals of English social organization, transplanted to the background of a lonely island has an appeal of its own to our Anglo-Saxon background. Its rendition was considerably enhanced by the second act picturization of an island setting, which added much to the growing reputation of director Arthur G. Sharp, Jr., and his technical assistants.

"The Black Flamingo" marked its second showing on a Colorado College stage by playing two nights to capacity houses. The thrills and chills emanating from the pen of Sam Janney have a lasting place in the hearts of Koshare patrons. The excellent rhythm in the intervals of tension build-up upon the part of the cast, combined with the impressionistic lighting effects and settings, made this one of the best productions of the season.

# COLLEGE OF COLORADO SPRINGS

## PLAYS

For over twenty years there are many of those in Colorado Springs who have never missed a performance of "Eager Heart," the annual Christmas play. The symbolic beauty and simplicity of this yule tradition is infused with a quality which interlocks with the history of dramatics since their inception at Colorado College. "Standing Room Only," has long been the rule at a performance of "Eager Heart."

In keeping with the modernistic trend, both in setting and theme was the billing in March of Karel Capek's "R. U. R." An enthusiastic cast impressed a more enthusiastic audience by their superb work in interpretation of the consequences attending over-emphasis upon machines as the basis of an industrial civilization. This gigantic struggle between man and the monster he created was set in an atmosphere of super-modernistic impressionism. The cross play of human emotion on one hand and the mechanical reactions of the robots in contrast was the occasion of a production with outstanding dramatic qualities. Given at a time when "technocracy" was an all-absorbing subject of national and international discussion, it was well timed, and deserved the support it received.

### PRIZE WINNING PLAY

Realizing that Colorado College students take their subjects seriously, the CLAW offered a prize of five dollars (\$5.) for the best short play to be written by an English major. As English majors were, for the most part, with the English army this week, the editor wrote this playlet and voted the prize to himself, thus dispensing with a meeting of secret combines.

## SARKISIAN NOSE PLENTY

H. Meddle Sarkisian, undisputed long-attendance champion of Colorado College and self-confessed only living example of the starving Armenian donned his nose guard over a malted milk at Murray's as the CLAW reporter marveled. "Yes sir, I ask you, what's the use of giving our money to that old robber Murray. Hey Speed, give me a couple of ham sandwiches."

H. Meddler further gurgled, "Now up in Boulder we have a real system of boycott. If we don't like an eating house we just stop eating altogether for a month. That does away with all their customers. Let me run this and we'll have Jesse James eating out of our hand. Did I ever tell you about my success in the rug business—

The reporter for the CLAW woke up at this and in his confusion ordered a coke on credit, which was refused.

### BIDS 26 GOES SET

Kappa Alpha Theta, after bidding twenty-six in a game of pledge, found that after three alumni fineses during silent day, lacked 14 of making their contract. Their cinch tricks were divided by the Kappas and the D. G.'s, leaving an even dozen, some of which are still very doubtful.

Miss Ruth Adams, signalling to her partner, Miss Mary Hoag by means of a note passed in class, decided that the best plan for next year's game was to get some fraternity badges scattered through the chapter like the Kappas. Her signals were intercepted by the CLAW authority on the game of pledge, who also read Miss Hoag's reply, to the effect that "We'll talk this over later." This is the latest development in the scoring system of pledge. It will be interesting to note the college males subscribing to the system. It's a slam if you ask me. (Personal comment by the CLAW.)

## SOCIETY

The two copies of "Emily Post," left by mistake at the offices of the COLLEGE CLAW were claimed by the Misses Marietta Sinton and Mary Alice Benson.

Those attending the Varsity Jubilee and Junior Prom remembered with extreme regret the absence of Mr. Joseph Mercer and H. I. S. Jugg.

Phi Gamma Delta wishes to announce another successful year in a political combine.

Messrs. John Cruzan and Ralph Smith will take prominent parts in the next Koshare play, "Romeo and Juliet." Smith will play Juliet and Cruzan will represent what Juliet.

It has just come to light that the campus supports a new club. It's name is the "Mutual Admiration Club," and its membership consists wholly of Dean Fauteaux, Miss Kinniburgh, Miss Fezer, and Miss Jackson. It is understood that Miss Earl couldn't pass the chapter.

Calvin Coolidge said:

"Few men are lacking in capacity; failure generally comes from lack of application."

The citizen who is unable to make his own living is a liability to his community. LEARN TO EARN.

It is not necessary to apologize for attending a business school, because we need—yes, must have—the practical as well as the classical education.

Don't waste the three summer months trying to decide what to do. Enroll early for our summer course.

DATES AND MELLON

Karo B. Mellon, history professor of Colorado College says, "The more dates a college man knows, the more he will get out of going to college." The COLLEGE CLAW reporter and the COLLEGE CLAW agree with him. After delivering this bombshell, Prof. Mellon was asked the time. Looking at his watch he said, "Magna Carta," and when asked what he meant by that said, "12:15."

It was with difficulty that the CLAW reporter kept from helping him on his bicycle, but restrained himself long enough to ask one more question which the learned man countered with, "When was the crowning of Charlemagne?" This would end most interviews. It did.

Prof. Felon prides himself on having access to more dates than any man in college, which is something.

### "POP" HUNTS BIG STICK

"Now you fellas 've gotta whip up. We've gotta get some power." Thus "Pop" Hunt applied the big stick to the Kappa Sigma chapter. The subject for discussion was the fact that while the boys of the Star and Crescent had numbers they had little else.

"Now who's good at polities?" queried the genial Hunt.

A rousing chorus answered, "E. Vaiden Hunt."

"Who's worked on publications the most this year?" came the next question.

A rousing chorus answered, "E. Vaiden Hunt."

The rousing chorus then offered a vote of confidence to the president of the chapter, Mr. E. V. Hunt, lauded the activity in behalf of the fraternity of Mr. Hunt, thanked E. Vaiden for his work in behalf of fraternity tables, and the meeting was adjourned by E. Hunt. Kappa Sigma will spend the rest of the year hunting for a second Hunt, in case he graduates.

## FACULTY APPROVE OF CHEATING BY STUDENTS CHAPEL

At last C. C. professors are placing the stamp of approval upon the chapel hour as a method whereby backward students may catch up with their lessons.

The attendance of the faculty has shown this increase of interest by the addition of one member to last year's quota of two.

The editor of the COLLEGE CLAW after having sent out questionnaires to all the professors concerned, received in return, the usual bill from Murray's Drug store, all of which goes to prove that at least three cents is still three cents, even to a college professor.

### A SLATE ERROR

Robert Slate, artiste extraordinary and exponent of bigger and better smocks for painters in 1934 threw down his palette in rage. "The CLAW only gives me two months to make fifteen drawings. That's not according to union wages. Besides, I was having a new smock made."

Mr. Skate's temperamental display, so exemplary of sign painters, white washers, mud daubers and such, was the occasion of a scene which took place fifteen minutes before the CLAW went to press. The drawings were done by a ten-year old newsboy in twenty minutes, the press of the CLAW held up to accommodate the emergency. The work, though fully as good, will lack the signature of the great Slate which is deeply regretted by the CLAW.

Mr. Norris Twitch has been designated by the dramatic society to jibber naturally during the tense moments of the next production.

### STUDENT MARRIAGES

Apparently student marriages of the past semester are most conspicuous by the lack of names supplied by the principals to the marriage bureau of the CLAW. Such indiscretions can only lead to misunderstanding.

For the promotion of better understanding between those married and the great number of those wanting to know who is married the COLLEGE CLAW takes this opportunity of offering one candied back scratcher for full and complete particulars as to time, place, and principals subscribing to the union.

### BETTY BLUE LOSES TWO

The above is not an attempt at romantic poetry. It's romance all right, but not the kind poetry is written about. The CLAW takes this opportunity, in lieu of Miss Blue's valiant efforts, of offering a reward for all knowledge, whereabouts, age possibilities, attributing to and possessions of the person, being, state of being, state of mind, pocketbook, intentions of—a MAN.

### MINNIE GAMMA GOES HIGH HAT

Raising their standards considerably since the disaster of last year when good old Minniegamma of Colorado College threw a pledge dance for no pledges "just to be different," the club stepped out and pledged a few sprightly specimens just to show the world and the Kappas in particular that there was steam in the old kettle yet. The few are doing nicely despite Aesop and his fox in the vineyard.

### PROVED ILLEGAL

Mr. Baker Fowler loses his two positions as chief poor loser and head moaner for Phi Gamma Delta because of proof given the CLAW that he once congratulated the winner of an inter-fraternity contest in which the Fijis lost.

Mr. Howler has long been known for his eccentric ideas of what constitutes a good loser and it was with surprise that the fact of his sportsmanship became known. Knowing that even the most consistent slip up once in a while, the CLAW offers a ray of hope in that it supports Howler for reelection along with the Betas, the Phi Deltas, The Sigma Chis, the Kappa Sigs, and the Delta Alphas.

### ORIGINAL EASTMAN

In a contest for original criticism of poetry, preferably some not yet written, Miss Evelyn Eastman who busted the Thermopolis thermometers, won the vest-pocket dictionary offered by the CLAW.

Miss Eastman's heroic effort was quaintly paraphrased, "It's just plenty keen. Please my nerves, anybody ought just love Emma Dickinson. Because—because—it's just plenty keen, that's why." Miss Eastman tied with three hundred and thirty others for the honor, but after a combine meeting, emerged victorious.

Miss Hermine van Houten takes this occasion to reiterate her plans for marriage with Mr. Charles Bybee this spring. The van Houtens will then be at home in Colorado Springs.

Delta Gamma announces the prize-winning efforts of Miss Ethelda Gardner in the nationally advertised SLOVO contest. Miss Gardner won a comb and a bar of SLOVO soap as first prize.

### DEPLORED

"Nuts to 'em. I'm nut responsible for this, and they'd butternut try it again." With this quaint expression did Prof. Lewis Fligg deplore the cribbing situation prevalent at Colorado College. Prof Fig is head of the department of social sinuses at the college.

The objects of the professor's criticism were five papers handed in on a Soc. 201 exam, identical word for word, all coming from the Phi Delt chapter. As he fingered the papers, Prof. Migg expounded at length, "Fraternal brotherhood may be strong, but I never saw anything as strong as this." Mr. Jigg would not reveal where the offenders stood on the distribution curve.

### REID THIS AND WEEP

"Half a Reid, Half a Reid, Half a Reid onward," is the motto of the remaining half of the mutual admiration club of Reid and Reid, since the expiration of the term of Juan Reid, former business manager and star salesman of the organization.

Mack (the Mack) Reid, has spent the year with a vacant look in his eye (natural) in fact, he has even neglected to bum the usual amount of cigarettes from his fellow students. (Exceedingly unnatural.) It is hoped that somewhere, somehow, a boon companion may make C. C. his watering place, that the Reid may not languish from loneliness.

There are ships that come in  
And ships that go out  
With colors flying gay,  
But best of all is friend ship  
For it never goes away.

## Last, but not least, is craftsman ship

Yes, friend ship is the best ship of all. Other good ships are the ship of state, scholar ship, court ship, and the hard ships that bring profitable experience. But there is another ship—an old, old ship—that belongs to the good fleet.

As you turned the pages of this book, you were oft reminded of scholar ships and friend ships. Now that you have finished the book, pause for a moment to consider the craftsmanship that made it possible. Your year book was not alone the product of your Nugget staff, but of a score or more of skilled printers, and press-men, and book binders. Their craftsmanship, flying the tricolor of their art, has accompanied this adventure in friend ship.
